## Large Health Care Coalition Excited by Unveiling of Healthy Wisconsin Plan

**Madison:** The Wisconsin Health Care Reform Coalition, a “big tent” coalition made up of 34 organizations committed to enacting comprehensive health care reform this legislative session, is excited that the Senate Democrats are unveiling a unified reform plan at a hearing on Monday. The Healthy Wisconsin plan is expected to combine the best features of the 3 comprehensive reform plans that were introduced into the Legislature last year.

“The Wisconsin Health Care Reform Campaign was created to achieve comprehensive reform that guarantees coverage to every Wisconsin resident, returns control of health care decisions to patients and their doctors, and maintains quality, said Robert Kraig, a spokesperson for the coalition. “All the organizations that make up the coalition are anxious to hear the details of the Healthy Wisconsin plan at Monday’s hearing.”
